

**WHAT'S REAL MAGIC?**  
*The smile on my child's face!*

**Here is what some of Nickleby's clients have to say...**

The show was fantastic; the children were completely engaged throughout the whole show and with your friendly nature, felt comfortable to participate. The children were involved throughout the show! What a fantastic experience, will defiantly be recommending you to others. Thanks again! **Kim Ryan**

"What a fun show you put on for us... The feed-back from the kids and parents was great... It was a complete pleasure to deal with you from booking, date change, and right through to the event. Thank you for helping to make Jim's special day so enjoyable and memorable - it really was magic!" Best wishes, **Lisa Gibbs**

"Your show was so much fun, and many of the parents (and children) came up afterwards to say how much they had enjoyed it. One parent said she had tears of laughter running down her face, and I saw many happy faces, including our Deputy Mayor's! Your tricks were amazing, but best of all, I think, was your humour and showmanship, and the way you included the children into the action. I am sure to certainly contact you again!" **Joanna Milne- Waimakariri District Libraries**

"Nickleby has a great manner with children. The kids were simply riveted for the entire show. I highly recommend him 10 out of 10!" **Brent Flemming**

"Nickleby had both adults & children laughing. His birds & rabbit thrilled the kids with a show with great momentum & pace and was great value for money!" **Mike & Tracey Graham**
